General

Connect WiFi provides you with access to the Internet via wireless access points (each a "Hotspot") utilizing one or more of the 802.11a/b/g/n-ac protocols commonly referred to as "WiFi" (the "Service"). These "Terms of Service" between you and **Connect WiFi** set out responsibilities associated with use of the Service. You are responsible for all access to and use of the Service including any breach of these Terms of Service by you or any user of your device. For the purposes of these Terms of Service, "you" means you and every person you authorize to use the Service. By accessing the Service, you agree to these Terms of Service. If you do not wish to be bound by these Terms of Service, you may not access or use the Service. **Connect WiFi** may modify these Terms of Service at any time without your consent or authorization, including modification or termination of the Service, or any components thereof.

Indemnity

You agree to indemnify and hold **Connect WiFi** harmless from all liabilities and expenses related to any violation of these Terms of Service by you or any user of your device, or in connection with your or their use of the Service. While using the Service, you may not post, transmit or otherwise distribute information constituting or encouraging conduct that would constitute a criminal offence or give rise to civil liability, or otherwise use the Service in a manner which is contrary to law or to **Connect WiFi**'s then-current policies or would serve to restrict or inhibit any other user from using or enjoying the Service or the Internet.
